The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Texas [Mr. THORNBERRY] and the gentleman from California [Mr. FARR] each will control 20 minutes.

The Chair recognizes the gentleman from Texas [Mr. THORNBERRY].

(Mr. THORNBERRY asked and was given permission to revise and extend his remarks.)

Mr. THORNBERRY. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of H.R. 1476, the proposed Miccosukee Settlement Act of 1977, which provides that Congress consents to a settlement agreement reached between the State of Florida, the Miccosukee Tribe, and the U.S. Department of the Interior involving the transfer of rights-of-way from the tribe to the State.

Included in the settlement agreement are provisions relating to airboat access to certain lands, the relocation of a microwave tower, interchange lighting at the Snake Road interchange, and the conveyance of 22.87 acres of land to the United States by the State of Florida.

Also included in the settlement agreement are provisions whereby the tribe agrees to dismiss certain litigation pending against the State and to release and forever discharge any and all claims the tribe may have against the Florida Department of Transportation and State of Florida in any way related to Interstate Highway 75.

Mr. Speaker, I believe this measure deserves the support of the House.

Mr. Speaker, I reserve the balance of my time.

Mr. FARR of California. Mr. Speaker, I yield as much time as he may consume to the gentleman from Michigan [Mr. KILDEE], a long and experienced Member on these issues, distinguished Member of this House.

Mr. KILDEE. Mr. Speaker, I thank the gentleman for yielding me time.

We also support passage of this act. This bill ratifies a 1996 settlement of a lawsuit between the Miccosukee Tribe in Florida over lands taken by the State for construction of Alligator Alley across the Everglades.

Under the terms of this agreement, the tribe gets \$2.1 million, 22 acres of land, and two rights-of-way, while the State gets several rights-of-way from the tribe for highway maintenance and release from the lawsuit. Congress is involved because the agreement calls for the Department of the Interior to approve the rights-of-way given to the State and to place the tribe's newly acquired lands into trust.

I am pleased that the tribe and State have reached this amicable agreement. I also applaud the diligence and hard work of the gentleman from Florida

[Mr. DIAZ-BALART]. I also note that the Committee on Resources held a hearing, and just prior to full committee markup the Department sent over several technical changes that have not yet been incorporated into the bill. These are not critical changes, but it is my hope that the Senate will give them fair consideration as it takes up the bill.

Mr. DIAZ-BALART. Mr. Speaker, H.R. 1476, The Miccosukee Settlement Act of 1997, approves and implements a settlement between the State of Florida and the Miccosukee Tribe of Indians of Florida regarding right-of-way usage and dredging during the construction of Interstate Highway I-75—"Alligator Alley"—across tribal lands in the Florida Everglades. This settlement authorizes the Secretary of the Interior to transfer title to certain strips of land used to dredge fill material for the construction of I-75 to the Florida Department of Transportation from its trust status, and in return directs the Secretary to take into trust for the Miccosukee Tribe as Miccosukee Indian Reservation several parcels of land as compensation.

This land transfer is fully endorsed by the Florida Governor and Cabinet, who sit jointly as the trustees for Florida land and who voted unanimously in favor of this settlement. The Tribe also receives approximately \$2 million, better access to its existing reservation through new access ramps on I-75, and airboat launch sites.

I am pleased that the State and the tribe have worked out a fair solution and I recommend passage of the bill.

Mr. THORNBERRY. Mr. Speaker, I have no further requests for time.

Mr. KILDEE. Mr. Speaker, I yield back the balance of my time.

Mr. THORNBERRY. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Texas [Mr. THORNBERRY] that the House suspend the rules and pass the bill, H.R. 1476.

The question was taken.

Mr. CONDIT. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point or order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 5, rule I, and the Chair's prior announcement, further proceedings on this motion will be postponed.

The point of no quorum is considered withdrawn.

GENERAL LEAVE

Mr. THORNBERRY. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on H.R. 1476, the bill just debated.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.
